- AQUOS NET + Internet Access
- Media player via home network (DLNA) or USB and USB time shift function

A I R W A V E

The AQUOS LE836 series uses the very latest Sharp image technology to give you the best possible viewing experience, no matter what you're watching – 2D or 3D. The picture, with its natural colours, really comes alive and is rich in contrast and breathtaking depth. The AQUOS LE836 also features low energy consumption. This TV is 3D Ready and can also convert 2D programmes to simulated 3D.
