

AIR WAVE

The choice is yours...

Airwave deals directly with the top hotel TV brands providing you with the most competitive prices in the market. We work closely with our partners and only supply televisions with special hospitality features like menu and tuning lock, maximum volume restriction and the ability to clone TV settings.*

As market leaders we have upgraded over 30,000 hotel rooms to digital so far this year. So why not talk to the experts about your upgrade.

Call us on **0845 555 1212** to ask about which digital TV is best for you and find out more about these new models at www.airwave.tv

**only available on specific models*
