

DELIVERING YOUR VISION

## Albergo™ Custom Cabinet Program

Make your Albergo table radio your own by housing it in a beautiful Tivoli Audio cabinet made especially for the Albergo radio. Classic wood finishes, such as Walnut, Cherry, and Black Ash, are available, as well as a full line of custom cabinets.

Each custom cabinet has been designed and handcrafted in Italy. Pick from the many luxurious finishes, including wood veneers, beautiful fabrics, and sumptuous leathers. These superbly finished cases are ingeniously designed to effortlessly slide on to the Albergo.

The Albergo Cabinet Kit contains everything you need to easily install your radio into the cabinet of your choice with only a screwdriver. The simple installation doesn't require the radio itself to be disassembled. In a short period of time, without much effort, your Albergo radio will be transformed.

Not only can you pick the perfect color Albergo radio to express your style, but now you can wrap the radio in one of the many cabinet options, taking personalization to a whole new level.
