HWL83B

Triple Display NFC Bluetooth Alarm Clock with Speakerphone, Wireless Qi/PMA Dual Standard Charging and Dual USB Charging Ports

Alarm Features

- Wake to Bluetooth audio or alarm tone
- Easy-to-set alarm
- Single day alarm feature prevents unwanted alarms from sounding
- Sure Alarm battery backup maintains clock setting and ensures alarm wake time in case of power failures
- Snooze button
- Gentle Wake peacefully wakes guest with gently ascending alarm volume
- Alarm backup for Bluetooth: If Bluetooth is the selected wake to source and Bluetooth is not detected, a buzzer will sound instead.

Bluetooth Features

- Play audio wirelessly through unit from iPad, iPhone, iPod touch, Android, Windows or other Bluetooth-enabled devices
- NFC (Near Field Communication) technology allows NFC-capable devices to connect to Bluetooth instantly just by touching
- Speakerphone with voice echo cancellation for clear calls, plus talk/end controls

Charging Features

- Qi/PMA dual standard wireless charging pad for compatible devices
- 2x 1 amp USB ports conveniently located on the front cabinet to charge most mobile devices

Auto-Set Features

- Pre-set clock
- Time Zone Button quickly sets clock to your time zone
- DST switch for automatic daylight saving time adjustment

Additional Features

- Three displays (front, left and right panels) for easy viewing from any angle
- Single day dimmer resets display brightness to high each day at noon
- Display dimmer button
- Aux-in with attached cable and storage cap
- Printed instructions on cabinet
- Security tether
