The Slimmest Premium *Hotel TV*

LP860H

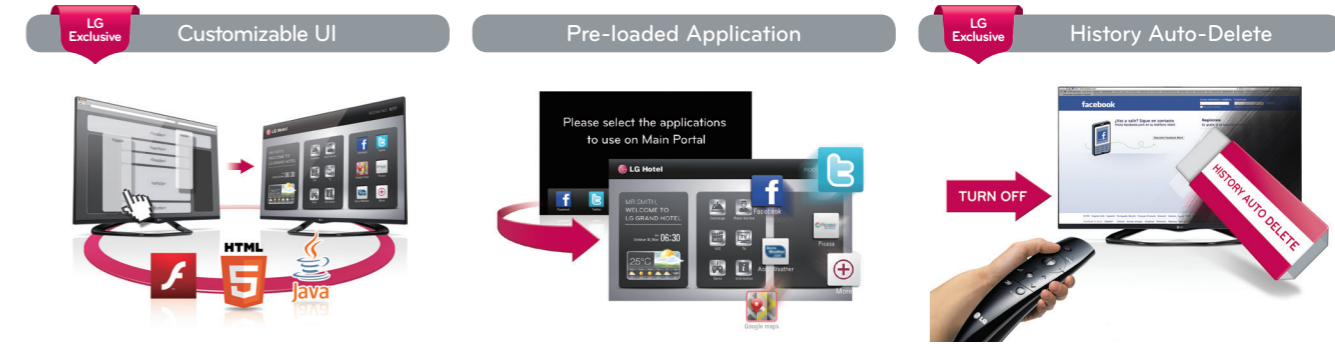

- SLIM
- SMART
- CUSTOMIZABLE
- CONNECTED
- COST-SAVING

Smart Customization

LG Pro:Centric[®] Smart offers extended customizable tools; HTML5, Java and Flash so our partner can optimize Hotel TVs to develop their own enhanced service design. Besides own designed essential TV service, guests can be served with bandwidth-worry-free pre-loaded applications without privacy concern thanks to LG's advanced history auto deletion S/W.

Extended Connectivity

Commercialized connectivity is ever revolutionized with Smart TV functions such as Miracast, WiDi and Smart Share which enables guests to play and view content from their digital devices on their in-room TVs. Let your guests surf the internet just like at home with LG's easy-to-use Motion Remote controller and web-browser function.

Cost Savings

Save big on the expenses of managing the Hotel TVs with LG's unique STB integrated solution and IP over Coax. Real-time remote diagnosis report helps you to detect error in advance to prevent TVs from being fallen apart.
