

Pro:Centric[®] SMART

LY960H

webOS Commercial TV

LG Pro:Centric SMART offers webOS Commercial TV user interface and customizable tools that our partners can optimize their Hotel TVs with IP-based programs to provide premium hotel services with integrated set-top box solution.

Simple Switching

Simple Customization

Simple Management

Seamless Design

The display is a seamless, edge-to-edge panel of glass over an ultra-slim, almost unnoticeable bezel. It's a sleek, elegant, virtually border-free design that will appeal to even the most refined sense of style. Your guests will love the stunning picture while it's on and marvel at its appearance while it's off. LG Pro:Centric Smart integrates beautifully with your sense of style.
