

- Screen Size 203 cm (80")
- HD-Ready 1080p
- Freeview HD tuner built-in
- LCD TV with FULL LED backlight
- 100Hz with film dejudder
- AQUOS NET + Internet Access
- Media player via home network (DLNA) or USB
- USB Timeshift+ for easy digital TV programme recording

Now everyone can afford a 203 cm (80") TV! The AQUOS LE646 makes it possible for more people to enjoy the pleasure of having a big screen TV at home. Sharp's new ultramodern Sakai production plant in Japan is designed to produce large LCD panels with minimal material consumption and environmental impact. Efficiency and cutting edge technology enable production of high quality screens at very competitive prices. The LE646 comes with AQUOS NET+ and media player capabilities. The new Timeshift+ function not only lets you pause the current program, but lets you program a recording for later viewing.
